

Product datasheet

G2 Trio

The all-rounder of the Gymna G2 series, the G2 Trio treatment and examination couch has an adjustable head- and back section, making it the perfect solution for treatments in sitting and lying position. It is truly versatile due to its simplicity. The G2 Trio can be equipped with armrests for optimal relaxation in the prone position.

Standard features

- Three-section couch with adjustable head-, and back section
- All sections supported by gas springs
- Electric height adjustment with foot switch
- Cushions with 40 mm padding
- 15 cm clearance underneath frame for use with patient hoist (not compatible with 150 007)
- Non slip feet
- Cushions in a choice of 11 colours
